www.calcs-plus.com – Third Party Inspectors

including HERS raters (Home Energy Rating System) which is a key component of the “Florida Green Home Designation” and also EEM (Energy Efficient Mortgage) program.

The HERS inspection identifies and recommends energy savings ideas with a payback justifying the implementation.

Version 5 - Green Home Documents - Effective July 1, 2007

	Green Home Designation Standard	The standard which describes the who what why how and where of the designation	88kb
	Schedule A (Checklist)	The Schedule A -Checklist which is both a snapshot of the points available by each technical item and an application form	367kb
	Green Home Standard Reference Guide	The Reference Guide that describes in detail the requirements for earning each point indicated on the checklist	418kb
	Green Home Standard Agent Disclosure Form	A disclosure form that each certifying agent must present to the builder/homeowner	84kb
	Green Home Certifying Agent Registration Form	A registration form required to become a certifying agent	27kb
	Green Home Standard Modification Form	A modification form for submitting requests for changes to any of the standard documents	63kb
	Green Home Standard Modification Form	A modification form for submitting requests for changes to any of the standard documents	47kb
